

BMW X5

X5 3.0i
X5 4.4i
X5 3.0d

The Ultimate
Driving Machine

To find a new world, you must constantly redefine yourself.

The ongoing process of becoming better.

The best link between town and country is a good engine.

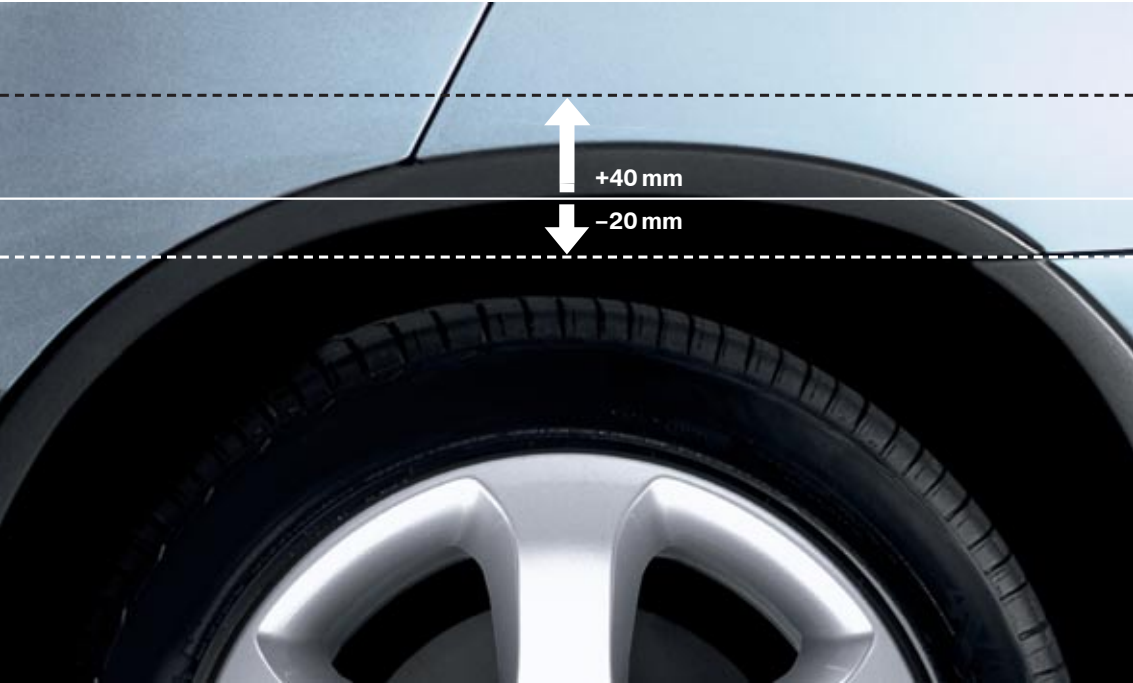

Design: well-conceived. Control: intuitive.

❑ **BMW light-alloy wheels** in styling 153, 8.5 J x 18", all-season 255/55 R 18 tyres (standard on the 4.4i).
❑ **BMW light-alloy wheels** in styling 131, 8.5 J x 18", all-season 255/55 R 18 tyres.
❑ **BMW light-alloy wheels** in star-spoke styling 74, 8.5 J x 18", all-season 255/55 R 18 tyres.

❑ **Double-axe self-levelling*** with air suspension incl height adjustment and with offroad, standard and entry mode. Double-axe self-levelling is available only in conjunction with optional sports suspension lowering the entire vehicle by 15 mm. The offroad position offers 40 mm more ground clearance, in the entry mode the entire vehicle is lowered by 20 mm for easier entry and access, as well as easier loading.

❑ **Leather sports steering wheel** incl multifunction, three-spoke, gearshift/selector lever in leather.

❑ **Sports seats** for the driver and front passenger (shown here in Dakota leather), incl pockets, electrical adjustment of the driver's and front passenger's seats, memory function on the driver's seat; optimum side support provided by high-rising side sections; individual adjustment of seat height, backrest and seat angle as well as thigh support.

❑ **Comfort seats** for the driver and front passenger (with leather upholstery only), incl pockets, electrical adjustment of the headrest and seat position for the driver and front passenger, memory function on the driver's seat, exterior mirrors and steering column; incl armrest at the front.

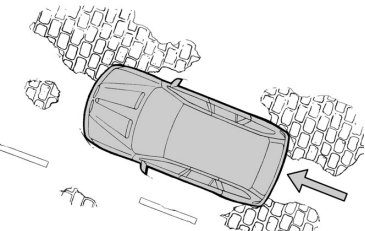

❑ **Navigation system Professional***, DVD navigation with 16:9 on-board monitor and BMW Professional radio with cassette player. The voice computer provides any driving instructions required, additional information can be retrieved through direction arrows or the map on the monitor, for example further points of interest such as hotels. The split-screen monitor can display two functions, eg the radio and navigation system.
❑ **TV function** on the on-board monitor enabling you to watch analogue-mode television programmes and videotext. The TV function only works when the car is at a standstill.

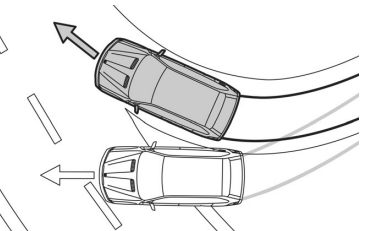

❑ **Complete preparation for a mobile phone with Bluetooth interface** (incl hands-free operation, connection for charge socket and outside aerial). A Bluetooth-compatible mobile phone can be connected by means of a separately available snap-in adapter and controlled from the multifunction steering wheel. Your BMW partner will be happy to inform you of the mobile phones recommended by BMW.

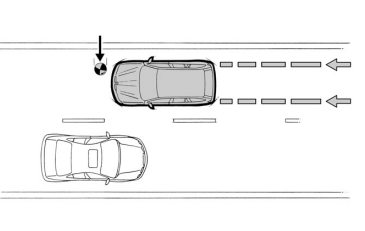

❑ **Ski-bag** for clean and safe transport of up to four pairs of skis with up to four occupants in the car; whenever the ski-bag is not required, it remains stored conveniently and out of sight behind the centre armrest.

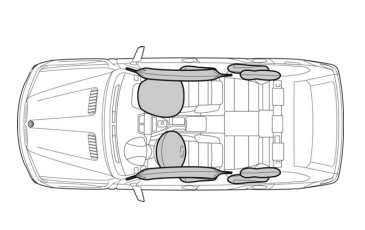

■ **Automatic Differential Brake (ADB-X)** providing the same function as differential locks by intervening on demand on individual wheels. A wheel about to spin is automatically slowed down by ADB-X until regaining its grip and conveying drive forces. With DSC activated, ADB-X is supplemented by engine output control, with DSC switched off the function is set to maximum drive and traction.

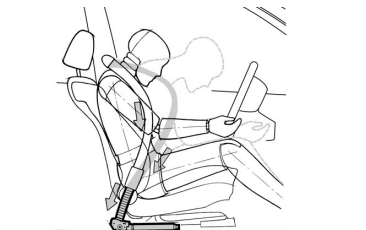

■ **Dynamic Stability Control (DSC)** comprising, say, ADB-X, CBC, DBC, and HDC; DSC detects the risk of swerving right from the start, stabilising the car within fractions of a second. The DSC suspension control system ensures greater driving stability above all in bends.

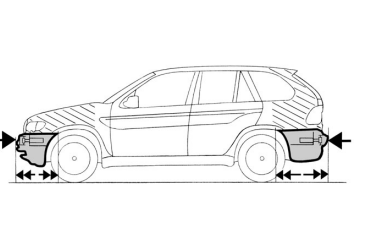

■ **Dynamic Brake Control (DBC)** provides brake assistance building up maximum brake pressure in an emergency even if the driver fails to properly press down the brake pedal, significantly shortening your BMW's stopping distance in the process.

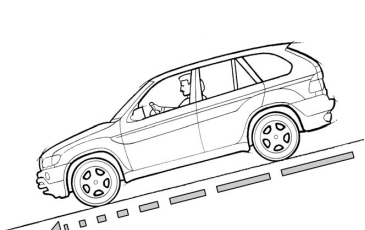

The **airbags** and all further safety components are perfectly coordinated in a BMW, so that in a collision only the airbag actually required is activated. Such activation of the airbag varies in intensity, depending on the impact. Up to 10 airbags offer protection precisely where required: Driver and front passenger airbags, head airbags front and rear, as well as side airbags at the front and, as an option, at the rear.

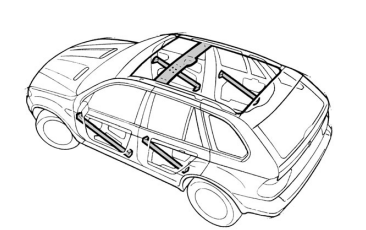

■ **BMW restraint system** for the driver and front passenger, combining the three-point seat belt (with manual belt height adjustment on the B-pillar), belt latch tensioner, belt force governor and anti-submarining ramp in the seat, for optimum restraint in a collision.

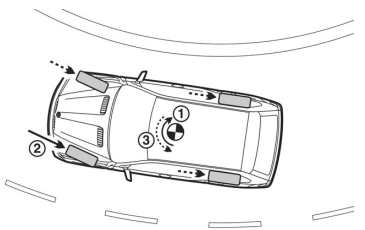

■ **Bumpers with regenerating aluminium impact absorbers** take up impacts without damage at speeds up to 4 km/h; special deformation zones front and rear absorb forces at up to 15 km/h without any damage to the body.

■ **Hill Descent Control (HDC)** enables your BMW to take even the steepest downhill gradients slowly and surely all by itself, just slightly faster than walking pace. As an option the driver may also control HDC via buttons in the multifunction steering wheel.

■ **Door reinforcements** ensure maximum occupant protection in a side-on collision. This safety is provided by diagonal reinforcement profiles in the door ensuring supreme door stiffness.

■ The sports driver knows that when you apply the brakes the loads acting on the rear wheels are reduced, possibly making the vehicle swerve round in a bend (1). CBC Cornering Brake Control counteracts this effect by asymmetrically adjusting brake pressure (2) in order to generate a stabilising counterforce (3) even before ABS cuts in.

Safety	3.0i	4.4i	3.0d
Airbags:			
– Driver and front passenger airbags with ID (Impact-Depending) function, seat occupancy detector on front passenger's seat	■	■	■
– Head airbags for the driver and passenger front and rear	■	■	■
– Side airbags at the front for driver and passenger	■	■	■
– Side airbags for rear passengers	■	■	■
Alarm system with remote control	□	□	□
Anti-lock brake system (ABS)	■	■	■
Automatic Differential Brake (ADB-X)	■	■	■
Brake light , third, in the upper rear window frame	■	■	■
Brakes:			
– Disc brakes at the front, inner-vented	■	■	■
– Disc brakes at the rear	■	■	■
Central locking with electronic immobiliser, crash sensor; fuel tank filler flap integrated in central locking	■	■	■
Centre lock switch	■	■	■
Child seat fastening, ISOFIX	■	■	■
Cornering Brake Control (CBC)	■	■	■
Dynamic Brake Control (DBC)	■	■	■
Dynamic Stability Control (DSC)	■	■	■
Foglamps	■	■	■
Fuel pump switching off automatically in the event of a collision	■	■	■
Headlight cleaning system	□	■	□
Hill Descent Control (HDC)	■	■	■
Park Distance Control (PDC) front and rear	□	□	□
Parking protection provided by plastic bumpers wrapped around at the sides and side rubbing strips	■	■	■
Power steering with crash-optimised safety steering column	■	■	■
Rain sensor incl automatic headlight activator	□	□	□
Safety battery terminal	■	■	■
Safety bodyshell:			
– Deformation zones front and rear, door reinforcements made of aluminium, bumpers regenerating to their original shape in collisions at up to 4 km/h	■	■	■
Seat belts:			
– Ergonomic belt system at the rear with three-point belts on all seats	■	■	■
– Inertia-reel seat belts at the front with pyrotechnical belt latch tensioner and belt force governor	■	■	■
– Manual belt height adjustment on the B-pillar	■	■	■
Servotronic	□	□	□
Side impact protection , integrated, incl roof crossbar	■	■	■
Trailer stability control in conjunction with trailer towbar	□	□	□
Tyre Pressure Monitor (TPM)	□	□	□
Xenon headlights for high and low beams, incl dynamic headlight range control	□	■	□

Interior	3.0i	4.4i	3.0d
– Seat heating (two stages) on the rear seats	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
– Sports seats for driver and front passenger, incl electrical seat adjustment in 10 directions	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
– Standard seats with manual seat adjustment and seat height adjustment for driver and front passenger, driver's seat adjustable for angle	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Service Interval Indicator	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Ski-bag	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Smoker package	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Spare wheel beneath floor in luggage compartment	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Steering wheel column electrically adjustable for reach and height (included in electrical seat adjustment)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Steering wheel column manually adjustable for reach and height	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Steering wheel rim heated	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Steering wheels:			
– Leather steering wheel with airbag and multifunction buttons, incl cruise control and remote control of radio/telephone, shift lever knob/selector lever knob in leather	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
– Leather steering wheel with airbag, incl shift lever handle/selector lever handle in leather	<input checked="" type="checkbox"/>	–	<input checked="" type="checkbox"/>
– Sports leather steering wheel with airbag and multifunction buttons, incl cruise control and remote control of radio/telephone, shift lever knob/selector lever knob in leather	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Storage facilities in the roof console, in the doors front and rear, storage boxes rear left and right; extra storage space on no-smoker model	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Telephones:			
– Car telephone , prepared for	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
– Car telephone, Professional	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
– Mobile phone, prepared for, with Bluetooth interface	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Toolkit beneath luggage compartment	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
TV function provided by the on-board monitor in conjunction with navigation system Professional	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Twin-tone horn	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Universal garage door opener*	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Upholstery:			
– Dakota leather	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
– Exclusive soft nappa leather	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
– Flat weave cloth	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Vanity mirrors, illuminated, with slide cover for driver and front passenger	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Voice control	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Warning triangle and first-aid kit	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Window lifts front and rear, electrical, with fingertip control, open/close function, trap release, comfort close on all doors	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

Exterior	3.0i	4.4i	3.0d
Bumpers (upper section) and exterior mirrors in body colour	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Direction indicators, white	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Door handles, black	<input checked="" type="checkbox"/>	–	<input checked="" type="checkbox"/>
Door handles in body colour	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Doorsill steps in aluminium, brushed and eloxy-plated	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Engine compartment lid and rear lid supported by gas pressure springs	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Heat-insulating glass all round, green, with laminated windscreen	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Illumination of entry area integrated in rear-view mirrors	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Metallic paintwork	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Model designation, dropped (no-cost option)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Rear lid, two-piece:			
– Rear lid section folding down to loading sill level	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
– Upper section opening up separately at the touch of a button (electrical control buttons outside and in the interior) incl Soft Close Automatic	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Rear-view mirrors, electrically adjustable, finished in body colour, blue-tinted, heated, in aspheric design	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Rear-view mirrors with automatic anti-dazzle function, incl fold-in function, heated	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Rear window wiper	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Remote control key with automatically recharging battery	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Roof railing	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Screenwasher nozzles, heated	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Sports package with sports suspension, leather sports steering wheel with multifunction buttons, cruise control, light-alloy wheels in styling 132 with different-sized tyres, door handles in body colour, exhaust tailpipe cover or high-gloss black chrome, sports seats for driver and front passenger, electrical seat adjustment with memory function on driver's seat, roof lining in Anthracite	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Towbar with removable ball socket (incl trailer stability control)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Wheel arches at the front with plastic inserts	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Wheel locking nuts	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Wheels:			
– BMW light-alloy wheels in styling 130, 17-inch	<input checked="" type="checkbox"/>	–	<input checked="" type="checkbox"/>
– BMW light-alloy wheels in star-spoke styling 57, 17-inch	<input type="checkbox"/>	–	<input type="checkbox"/>
– BMW light-alloy wheels in styling 153, 18-inch	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
– BMW light-alloy wheels in styling 131, 18-inch	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
– BMW light-alloy wheels in star-spoke styling 74, 18-inch	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
– BMW light-alloy wheels in styling 132, different-sized tyres, 19-inch (only in conjunction with sports package)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Windscreen:			
– Climate comfort windscreen	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
– Windscreen with green shade band	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

The technical drawings show the following dimensions in millimeters:

- Front View:** Width 1872, Wheelbase 1576, Height 1707 (1715-3.0i, 3.0d) and 1750 (1747-4.4i).
- Rear View:** Width 2180, Wheelbase 1576.
- Side View:** Wheelbase 2820, Overall length 4667, Front seat height 1013, Rear seat height 977.
- Top View:** Front track 1504, Rear track 1484.

All dimensions of drawings in millimetres. Luggage compartment capacity 465 – 1550 litres (to VDA standard).

¹ Figures in [] apply to vehicles with automatic transmission.

² Available with automatic transmission only.

³ The figure quoted includes a 90 per cent tank filling, 68 kg for the driver and 7 kg for luggage. Unladen weight applies to vehicles in standard trim. Special equipment may increase this figure.

⁴ The overall weight of the trailer may not exceed the maximum permissible trailer load plus the maximum permissible towbar download.

⁵ Without restrictions regarding the type of trailer.

⁶ Applies only to sports and car trailers.

⁷ The petrol engines of the BMW X5 are built for RON 98 fuel. They may be run on RON 95 fuel with a slight decrease in power and an increase in fuel consumption. The minimum fuel grade required is unleaded regular (RON 91). Run the X5 on unleaded regular only in exceptional cases, due to the design and configuration of the engine.

⁸ In conjunction with sports package.

⁹ Fuel consumption is determined according to the ECE driving cycle made up of approximately one-third urban traffic and two-thirds extra-urban driving (measured in terms of distance). Fuel consumption is for models with standard equipment. Optional extras and special equipment (eg roof rack, wider tyres, additional mirrors) may have a significant influence on fuel consumption. CO₂ emissions are measured in addition to fuel consumption. The X5 3.0i and 4.4i comply with the EU3 (N1-G1) emission standard. The X5 3.0d complies with the EU3 (N1-G3) emission standard.

The models illustrated in this brochure show the specifications for the German market. In part, they include optional equipment and accessories not fitted as standard. According to the specific requirements of other markets, alterations in models, standard and optional equipment, as described in the text and illustrations, may occur. For precise information, please contact your BMW partner. Subject to change in design and equipment. Subject to error.
